

# Citizens' Assembly

Simon Mathias, CA member

SW Senate Assembly,  
12<sup>th</sup> March 2015

# Action the opportunity

## Improving Outcomes

### Actions

- Gain an understanding of the changing landscape
- Engage with best evidence
- Represent outcomes driven change through experiential input
- Advocate patient responsibility in healthcare

## Building partnerships

### Actions

- Get involved in specific projects
- Share our expertise and experience
- Validate our perspective with citizen survey/feedback data
- Be collaborative in our work

## Participation for improvement

### Actions

- Engage with broader patient organisations e.g. PPG
- Reach out to diverse groups e.g. MSM
- Explore the use of digital platforms
- Provide feedback to citizens
