

SW SCN Dementia Work Stream

Ruth Hall

April 2016

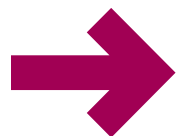

Dementia Priorities & Clinical leads

- To increase diagnosis rates.
- CCGs target of 66.7% for >65s
- **Dr Peter Bagshaw – South Gloucestershire GP**

- Post diagnostic support.
- All people diagnosed with dementia to be offered high quality support after receiving their diagnosis
- **Dr Colm Owers – Older age Psychiatrist Devon Partnership Trust**

- **Professor Alistair Burns – National Clinical lead**

What is happening in the SW

- 1/4ly Dementia Improvement Group – DIG
- Wide representation from Providers and CCGs
- Patients and carers
- Meeting in April
- SW poor diagnosis rates except Bristol CCG
- Trying to understand why
- Looking at post-diagnostic support and its impact on diagnosis rates
- SW Dementia work plan
